MAY 14TH FLASH PROGRAM

Gary Helfrich will be the speaker at the May 14th meeting. Bring your cameras and any flash equipment you have. If you do not have an external flash, you can use your on camera flash. We will meet outside at Lincoln Land Community College to

take some photos using flash. We will then go inside to have the regular meeting, while Gary gets the photos we took ready to show so we can discuss them.

winner Linda Stoecker

May - Wildflowers
September - Summer

CIPIC NEWS

Don't forget to bring in a photograph you are having problems with. It can be composition, lighting, or whatever else you need help with. The members present will make suggestions on what could be done to improve it.

LLCC will be closed for the summer so we will not have a regular meeting in June, July or August. We are planning some fieldtrips, etc. for the summer, details will be emailed when available.

Diane brought the High School contest entries to the April meeting. Some of the board members chose the winner in each category. They will be sent in to be entered in the PSA High School Photo Contest.

Diane's High School Photography Class will display their photos at Coffee Xpresso in Litchfield for the month of May. Try to stop by to take a look at them.
